

### **What are Life Groups?**

Life Groups are small-medium gatherings that meet weekly outside of Sunday services, with the purpose of studying God's Word and encouraging each other to become fully devoted followers of Christ. Our goal is for everyone at Canyon Springs to be in a Life Group.

### **When do Life Groups begin & end?**

For the **SPRING 2024** semester Life Groups will start the week of **February 11th** and end the week of **May 19th**.

### **How do I know if a group is "child-friendly?"**

In this catalog, the groups labeled as "Family-Friendly" are designed to accommodate children. Those labeled "Adult Groups" are not set up for children.

### **How do I join a Life Group?**

1. Sign up today at the Life Group table in the Canyon Springs lobby.
2. Select the box labeled "Life Group" on your communication card, fill in the facilitator's name next to the box, fill in your personal info, submit the digital card online.
